

“SMOKE SCHOOL”

Eastern Technical Associates (ETA), in agreement with the Michigan Department of Environmental Quality, Air Quality Division, will hold a Visible Emissions Evaluation Field Certification and Classroom Lecture Program in three locations.

Detroit Area – April 7-9, 2009 Field Certification will be at the Maybury State Park (Hickory Shelter area), south of Novi, MI, with classroom training at the Holiday Inn Express Hotel & Suites, Northville.

Grand Rapids Area – April 14-16, 2009 Field Certification will be at Johnson Park (Butterworth Street parking lot) with classroom training at the Holiday Inn Express Hotel & Suites, Grand Rapids. *(Both locations are new.)*

Gaylord – April 28-30, 2009 Field Certification will be at the Alpine Center with classroom training at the Hampton Inn, Gaylord. *(This is a new classroom training location.)*

ETA will be sending announcements of the school to state and federal regulators, local air programs, industries and utilities. You may also check ETA's website at:
